Song, Dance and Romance with Nic & Desi

Nic and Desi have an intensive résumé of Broadway and theatrical credits, including *Wicked*, *Jersey Boys*, *Mary Poppins*, and *West Side Story*, this dynamic duo invites you to an intimate showcase of their talents, their love, and their stories. Join them for an evening of out-of-this-world vocals and delightful choreography. Harkening back to the golden age of Broadway and vintage Hollywood, with a modern twist this award-winning couple promises an evening that will warm your heart and bring you to your feet cheering for more.

"Nic and Desi are so beautiful together. They're just like Rob and Laura Petrie (aka Dick Van Dyke and Mary Tyler Moore!)" - Jim Caruso, Host & Crooner, Cast Party at Birdland
